CITY

- Cancún Quintana Roo.
MÉXICO

- Located in a nearly forgotten region of the Caribbean, it consisted of marshes, mangroves, virgin jungle and unexplored beaches.

- From 1989 to date, Cancún has been the nation's most dynamic city.
- It contributes a large percentage of Mexico's tourism-related revenue and accounts for much of Quintana Roo's gross domestic product.
- There are currently more than 500,000 inhabitants in the urban area.
- Cancún has become the country's largest tourism resort and is the most prosperous city in the Yucatán Peninsula. It is also the Caribbean's premier destination, surpassing even the Bahamas and Puerto Rico.
